B. T. TYLER, of Fulton.

For Representatives of the First District,

For Coroner,
JO I. HARDER.

If you want to vote the
Straight Democratic Ticket,
stamp in the Big Square
containing the Rooster at the
top of the Ticket.

Vote the Rooster ticket. Vote
it straight.

Vote the straight ticket, from
Hardin to Harder.

See that your neighbor votes.
This is an important matter.

See that ticket above. Is there
anything more important than
the matter with it?

REMEMBER the polls close at four
o'clock. You cannot vote too soon
after the polls open.

On the safe side. If you don't
want to be dominated over by negroes,
vote the Democratic ticket.

Do you see that rooster with the
X under it? That is what is going to
win victory next Tuesday.

WITH so many instructions no
voter would be at a loss as to how
to proceed in the matter. Be sure
that you vote.

Let no Democrat, no good citizen,
so far betray the high trust of citizens
as to stay away from the polls next Tuesday.

DEMOCRATS, don't allow any other
party sides-tilt to coax you
away from your principles. Be
true. Vote the ticket straight.

The voters of Ohio county have
had a fair presentation of the
political issues. There should be no
hesitation in the choice of a candidate.
Be sure to vote.

REPUBLICAN houses are telling
you that there is no danger of negro
domination. The surer plan is not
to take any chances. Vote the
Democratic ticket straight.

It is much easier to prevent the
Republicans from winning than it
would be to dislodge them after they
once get control of the affairs of the
State. Had you thought of it?

A VOTE against Democracy is a
vote for high taxes and negro au-
tonomy against the social rights
of yourself and family. Think of
this when you retire alone to your
hut next Tuesday.

To vote is not only a privilege,
but a duty, and this year a most im-
portant duty. Let no good citizen
neglect next Tuesday what he owes
to himself, his family and his country
to do. Vote the Rooster ticket.

On the 29th gall the leaders of the Re-
publican party bashed their big guns.
Fist was here last Wednesday and
the Democrats wanted and asked for
a division of time that Hon. J. Edwin
Rowe might answer him which was
denied and it is less than a week
they are asking for a division of
time.

C. M. HARDING — as spring Ge-
orge is like running around
the circle, has been going through
Kentucky in his palatial car, fur-
nished free by rich corporations.
Hardin has been traversing the
highways and byways behind a com-
mon horse. It takes a hard eye to
see to who is the bloated plu-
ocrat, backed by moneyed kings, and

which is the plain Kentuckian, the
poor man's friend.

The records show that there were
37,258 voters registered at the recent
election in Louisville. There
were 21,190 registered as Democrats
and 16,078 as Republicans. This
gives 5,109 more voters registered
as Democrats than Republicans. There
were 30,241 white voters registered
and 7,017 negroes.

The Republication of the 10th inst.
came out in bold head lines and said
The HERALD had lied about the
Manchester affair. The REPUBLICAN
also said that there was no negro
supremacy in Clay county. We
refer those interested, to the sworn
statement to be found in another
column that they may see how
it lies.

SEVERAL of our Republicans ex-
changes are effecting much wisdom
and telling their readers that Grover
Cleveland signed the New York race
law. The impossibility of such
an act is apparent to all sensible peo-
ple when they stop to reflect that
Cleveland was occupying the Presi-
dential chair at the time this law was
passed.

A MORE contemptible or dirty
falsification was never penned than the
following which can be found in the
Louisville Commercial of October
26th:

The Senate of Western Ken-
tucky are urged to vote for Hardin
and Hardin alone. In other words, the
remained of the Democratic ticket is to be
voted for the Republicans. The first
and second districts are to be given to
First, Second and Fourth districts. The
object is to ensure a free voterless seat
in the Senate of Western Kentucky.

The fact is, the Committee has no
regard for the trash as the above
shows, when it comes to politics.

SECRETARY CARLISLE came all
the way from Washington to Cov-
ington, Ky., last Monday in order to
register. After registering he re-
turned to Washington saying to the
Covington Democrats that he would
return on the 5th of next month to
vote for the straight Democratic ticket
by placing the stencil immediately
under the rooster and let it do the
scratching. Yet the Louisville HERALD
says it cannot support Gen. Hardin
because he views on the Hardin
ticket as not in accordance with
Carlisle's views. Is there not
a political difference between
Secretary Carlisle and the Post
and that is, Secretary Carlisle is a
Democrat and the Post is the worst
sort of a Republican sheet.

KENTUCKY Democracy is pre-
paring through a trying ordeal.

Assailed by a host of negroes, blan-
dered by false friends, slandered

by the characterless press of its me-
tropolis, it is standing like a knight of
old and still bravely these onslaughts
upon its life and liberties. Never
before has it had so much to contend
with. Foes within and foes without
are seeking by every means
known to decapitate and slander to
blame the party for so
many years — will you not come out
and rebuke these slanders and
trudges with your might and strength?
The time appointed is next Tuesday.
Come, hardy others.

The Times and the Courier Journal in
their "straight Democratic domination"
platform have put negroes at the top.

The Herald will be the last to

believe that the reverse is true.
